TECHNOLOGY

Who takes Technology?

Well, the answers are varied, but it includes students who are...

- Curious about Technology and the way things work.
- looking for a fun class with lots of activity-based learning.
- looking to attend a College or University in a highly-skilled Technology related area.
- planning on entering the workforce upon graduation.
- planning on seeking an Apprenticeship in a regulated trade en route to a promising career.
- interested in getting some practical experience in Technology as part of a well-rounded education.

**Why take Technology?
How can you afford not to?
Technology is everywhere!
Why not learn how to use it,
design it, create it, fix it, and control it?**

**Specialist High Skills Major
Many Technology courses are part of these
Glenview Park SHSMs:
- Arts & Culture -Construction
- Environment - Health Care**
